The 60’s and 70’s provided an era of the most outstanding vehicle competition in the world.

The cars that raced you could buy. It spanned an era of famous and fabulous drivers that became household names then, and remain so today – Moffat, Brock, Goss, Firth, Grice, Manton, Geoghan; the list goes on.

It sparked an era of legendary Aussie Muscle Cars that are the most desirable to own in the country today – The Falcon GT HO, Monaro, Torana, Charger and their many variations. It was also a period when Bathurst accepted various other makes and models allowing vehicles other than the great Aussie Muscle machines to compete – Datsun 1600, Mini Cooper S, Alfa Romeo, Lotus, Cortinas and many more.

The Leukaemia Foundation is offering owners of these great vehicles (replicas and special interest cars also accepted) the opportunity to enjoy the Aussie Muscle Car Run from Sydney to Adelaide between Sunday 29 October to Saturday 4 November 2017.

This run will take entrants on approximately 1,901 kilometres of bitumen roads around a broad sweep of New South Wales, the ACT, Victoria and South Australia to enjoy the hospitality, scenery, mixing with like-minded enthusiasts and of course, the sheer pleasure of the drive.

It is not a competition event, it is a week-long cruise event and opportunity to show off your car to the wider community.

Entrants will also have the opportunity to participate in various controlled motorsport events, including Eastern Creek, Winton Motor Raceway, the Ford Proving Ground, the Portland Drags plus much, much more!

Getting your car to the start won’t be a problem either. Subsidised car transport from Adelaide to Sydney is available prior to the start of the event (to get entrants from SA to Sydney), as well as the conclusion of the event (to get entrants from NSW back home from Adelaide).

In return for your entrance fee and sponsorship efforts, the Aussie Muscle Car Run includes daily breakfast and dinner, accommodation, overnight security for the cars, official entrant’s shirt, car livery (stickers), back up mechanical support/facilities and motor sport events. Your entrance fee and sponsorship will help the Leukaemia Foundation to provide personalised and practical support for people affected by blood cancer, and their loved ones.

This is an event that cannot be missed by any Aussie Muscle Car enthusiast who yearns for the glory days of Bathurst 1963 to 1977.
